## PROJECTS

---

**Village Vacation** Designed a responsive event management website with an image slider, categorized gallery, service details, contact form, and social media integration for seamless user engagement.

**SMDC** Developed a responsive college website using HTML and CSS with structured navigation, a gallery, a contact form, Google Maps integration, and social media links for engagement.

**B Click Photography** Developed a fully responsive photography portfolio website using HTML and CSS, featuring a visually appealing gallery, categorized image sections, social media integration, and an elegant design that enhances user experience.

**Book Search Site** – A web application for searching books with an interactive interface. Integrated an API to fetch book details like titles, authors, and cover images. Designed with a modular structure for scalability and optimal user experience.

**Spotify Analytics Dashboard** Created a Streamlit app to visualize Spotify data, showcasing metrics like listeners, revenue and plays. Features include interactive charts and customized UI elements for an enhanced user experience.

## EXTRA-CURRICULAR ACTIVITIES

---

- **BITOTSAV, Shree Medha College** Volunteered in the coding event, contributing to the organization and support of participants.
- **Enthroned 4.0, Shree Medha Degree College** Participated in the coding event "Code Vita" and achieved the runner-up position, demonstrating technical skills and competitive spirit.
- **DEPLONAT, De Paul College, Mysore** Engaged in a national-level coding competition, gaining valuable experience and enhancing problem-solving abilities.
- **Savishkar, Shree Medha Degree College** Competed in a kite competition, showcasing creativity and teamwork in a college-wide cultural event.
- **Fruit Fuel:** Established and managed the "Fruit Fuel" shop with a 10-person team, selling mocktails and milkshakes, and achieving break-even.
- **Code Vita:** Competed as part of the "Cobol" team in the coding event, demonstrating programming skills.
- **Skilled Ciphers:** Volunteered in the Skilled Ciphers coding event, collaborating on event round design.
- **Pixel Perfect:** Participated in the Savishkar photography event, showcasing creativity.
- **Chumbak Case Study:** Researched and presented insights on the Chumbak company as part of the "8Ps" team.
- **Goomna** Collaborated in a 10-member team to develop a tours and travel website, with my specific role focused on building the website using coding.
